Student's name - _____

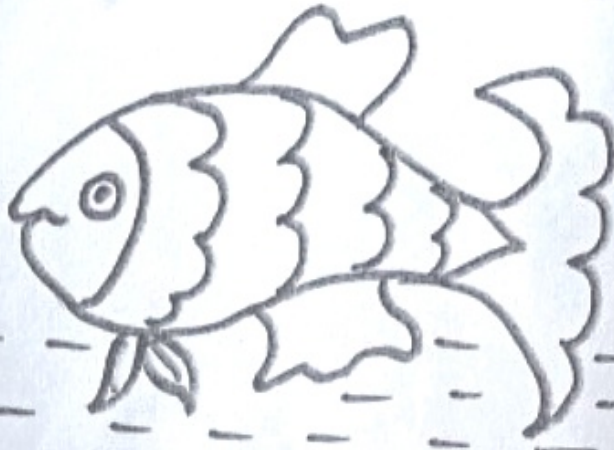

Trace it

Vertical lines

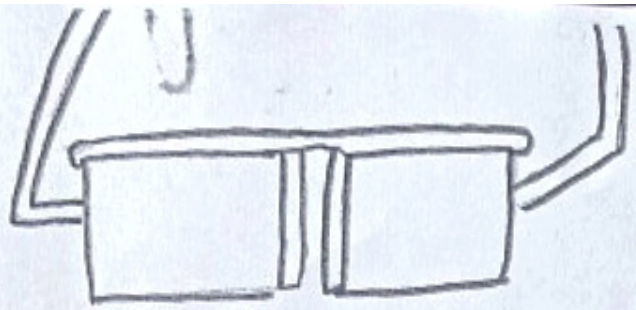

Trace it

Horizontal lines

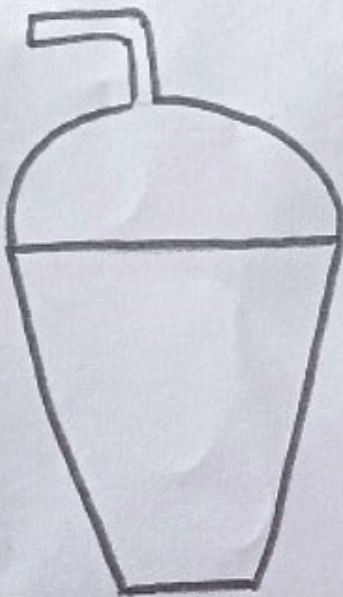

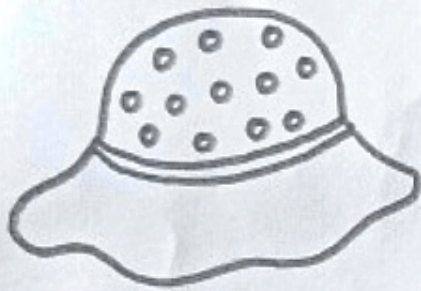

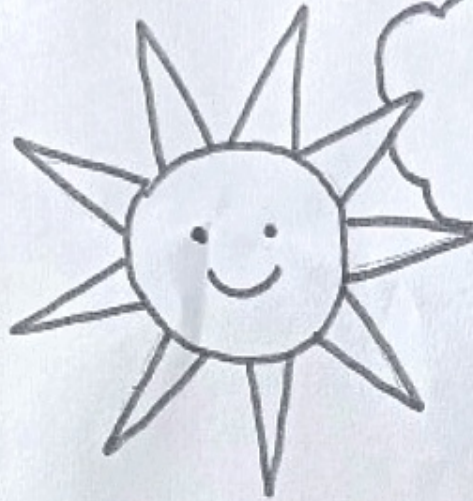

A series of horizontal lines for tracing practice. Each row consists of a solid top line, a dashed middle line, and a dotted bottom line. The first row is partially filled with solid horizontal bars, corresponding to the fish illustrations above. The remaining rows are empty for practice.

Hello

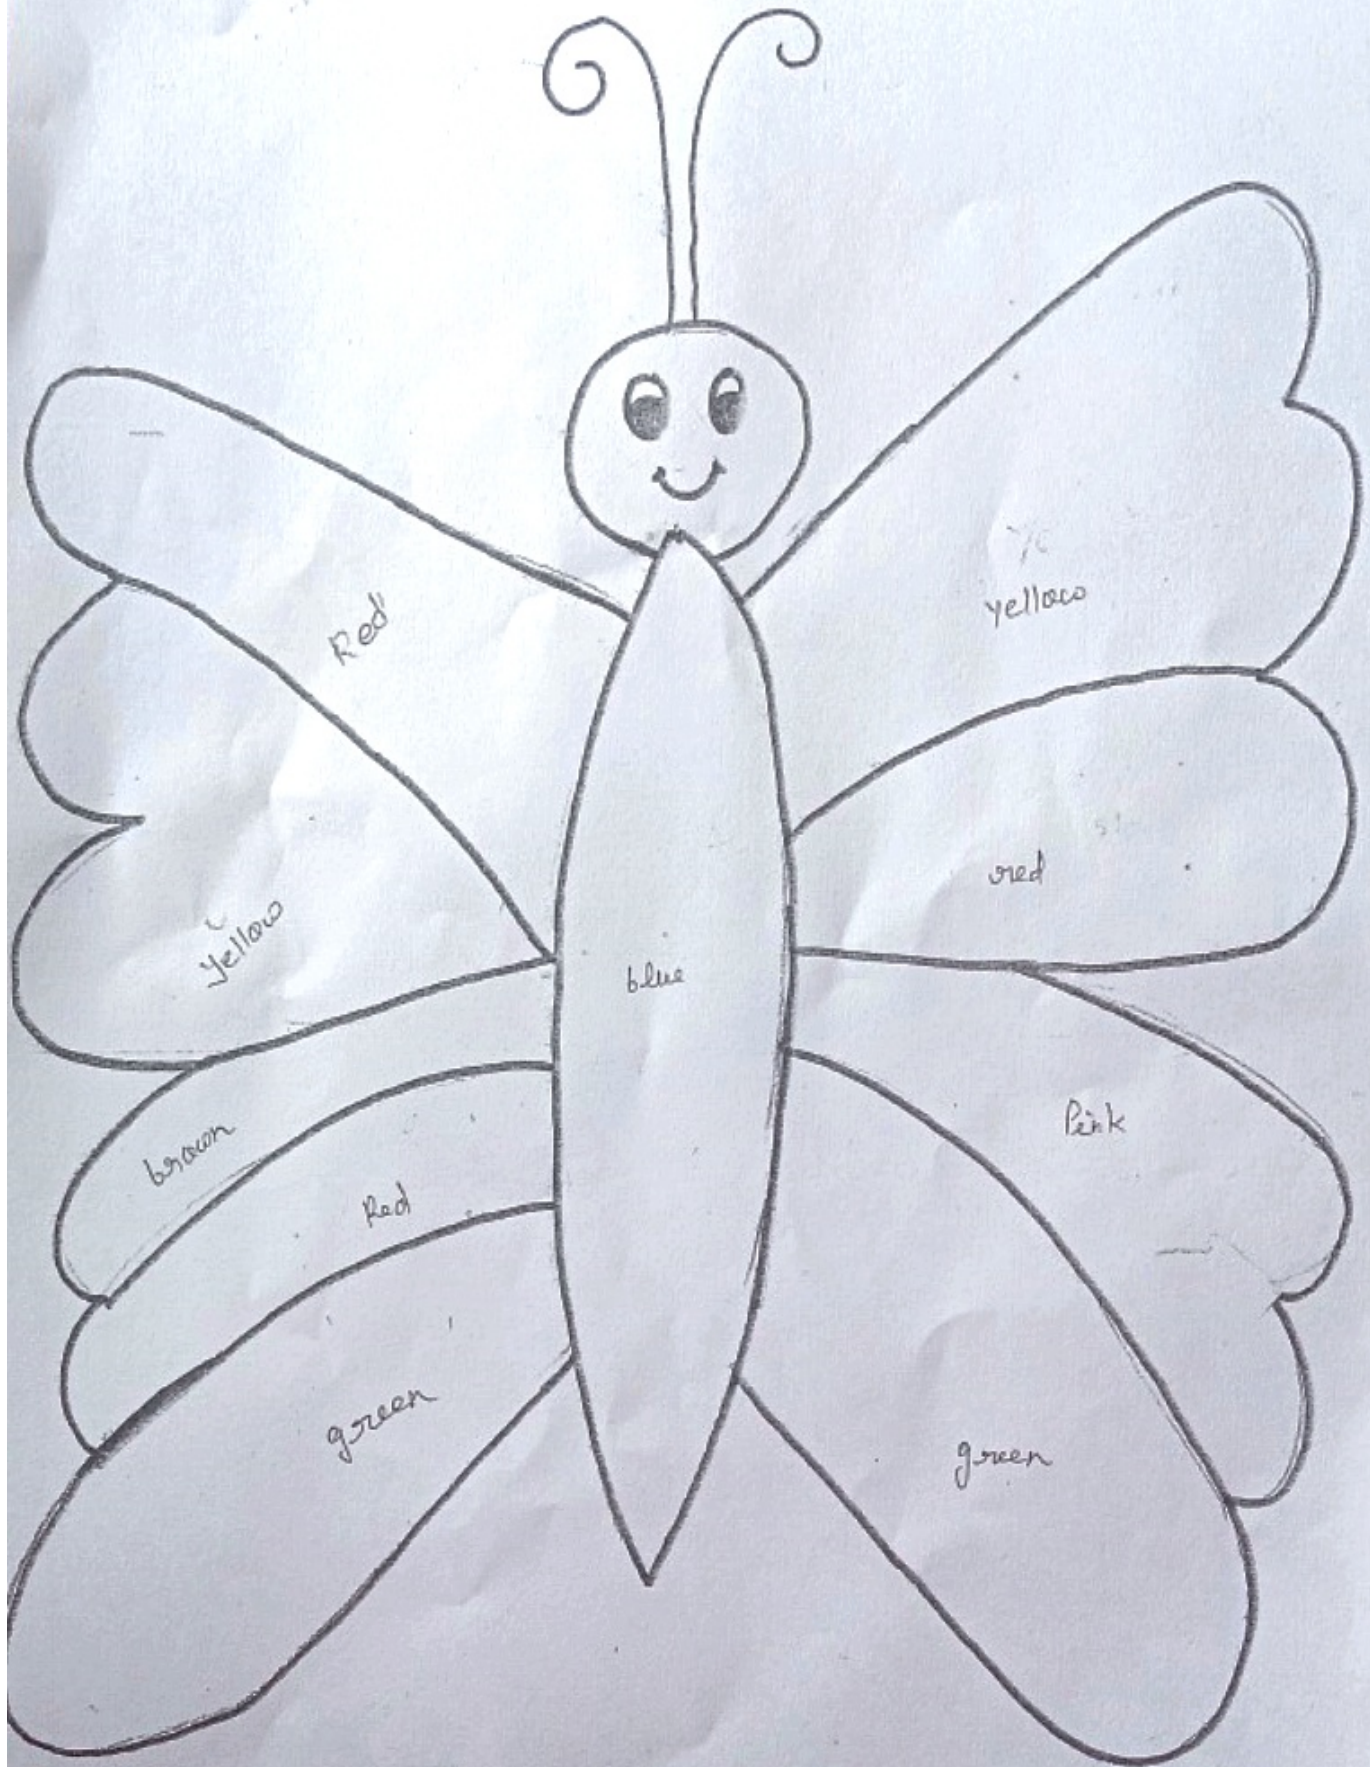

Colour it

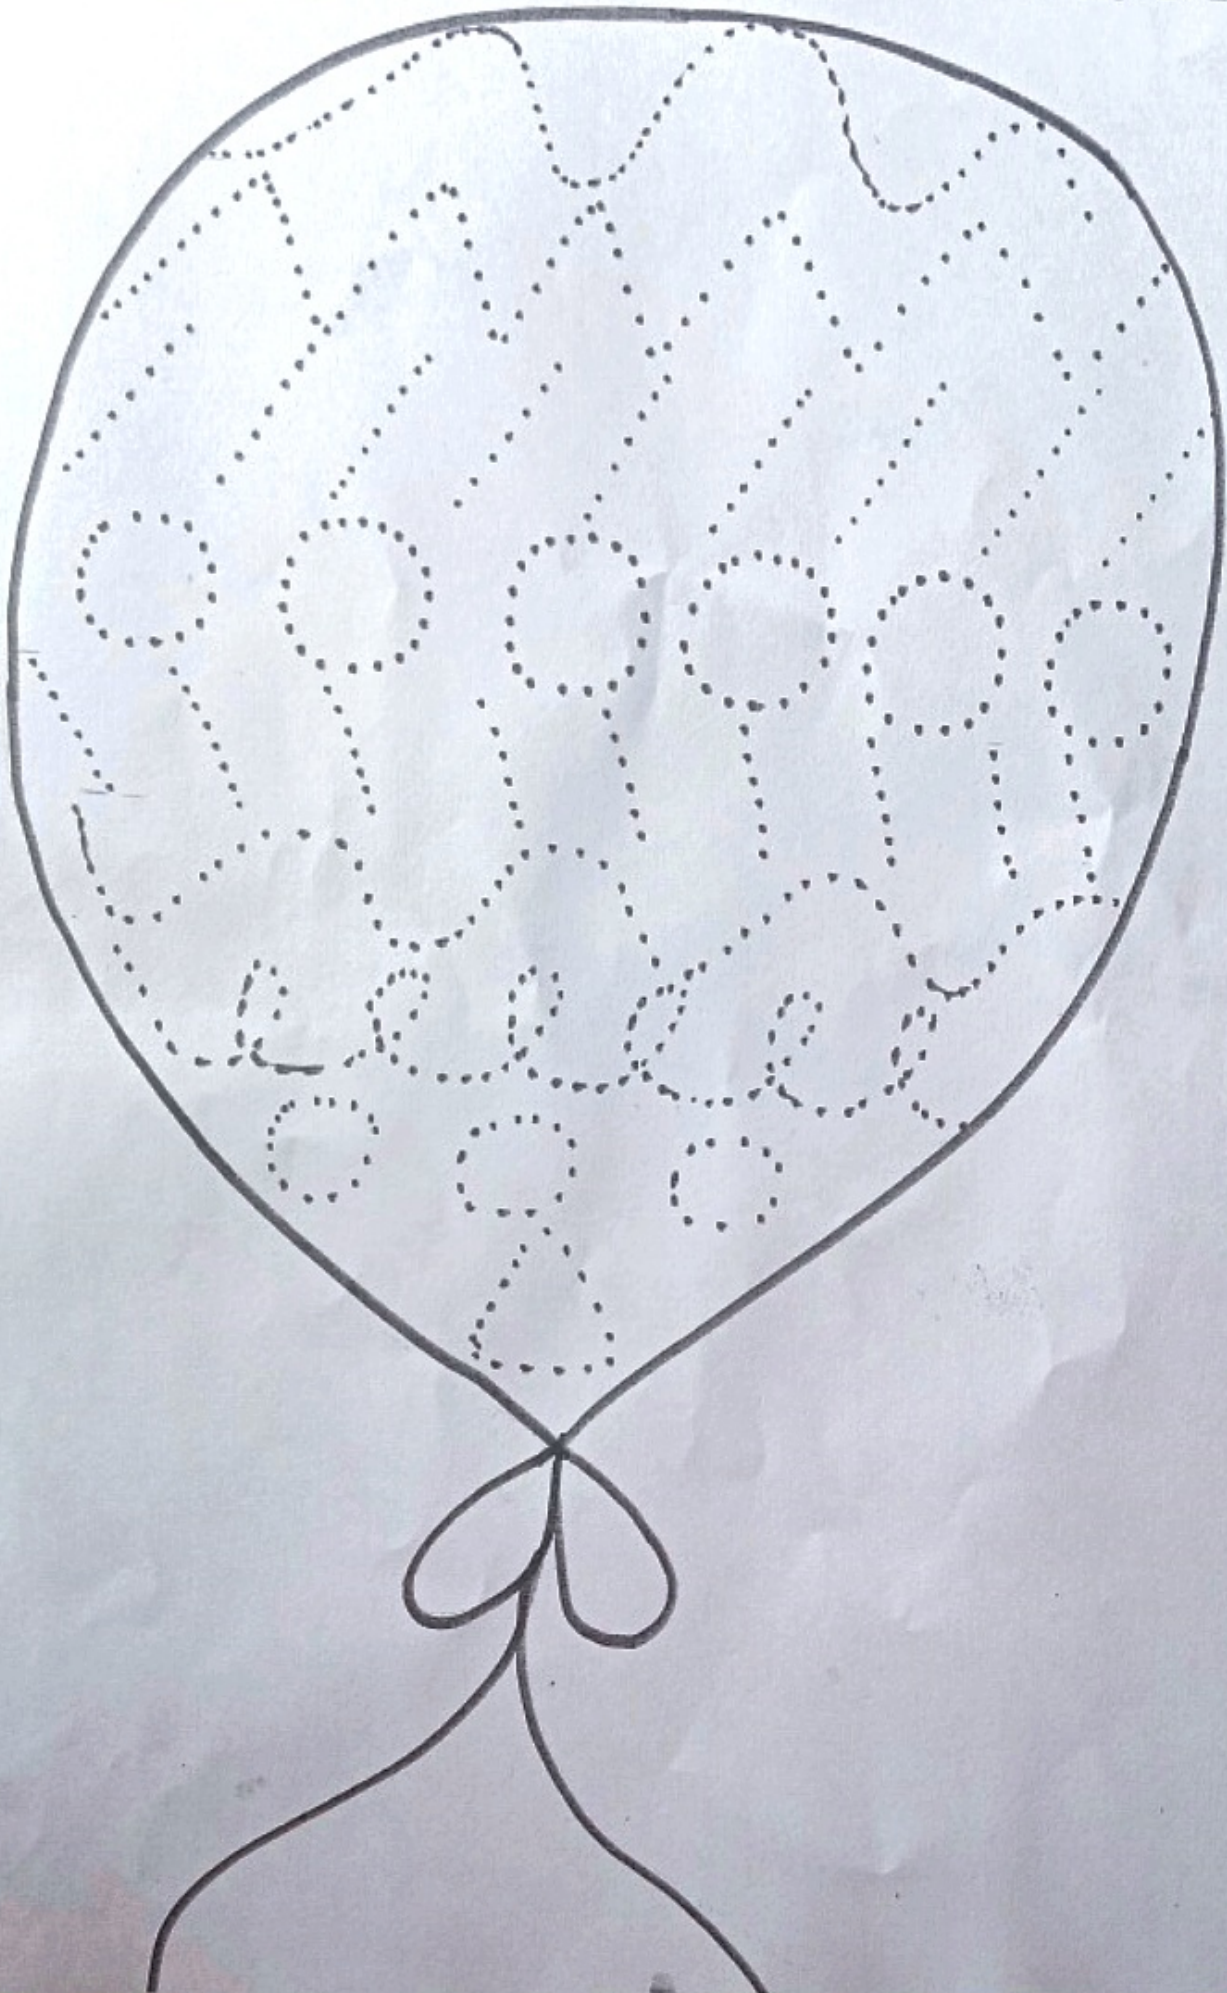

Summer

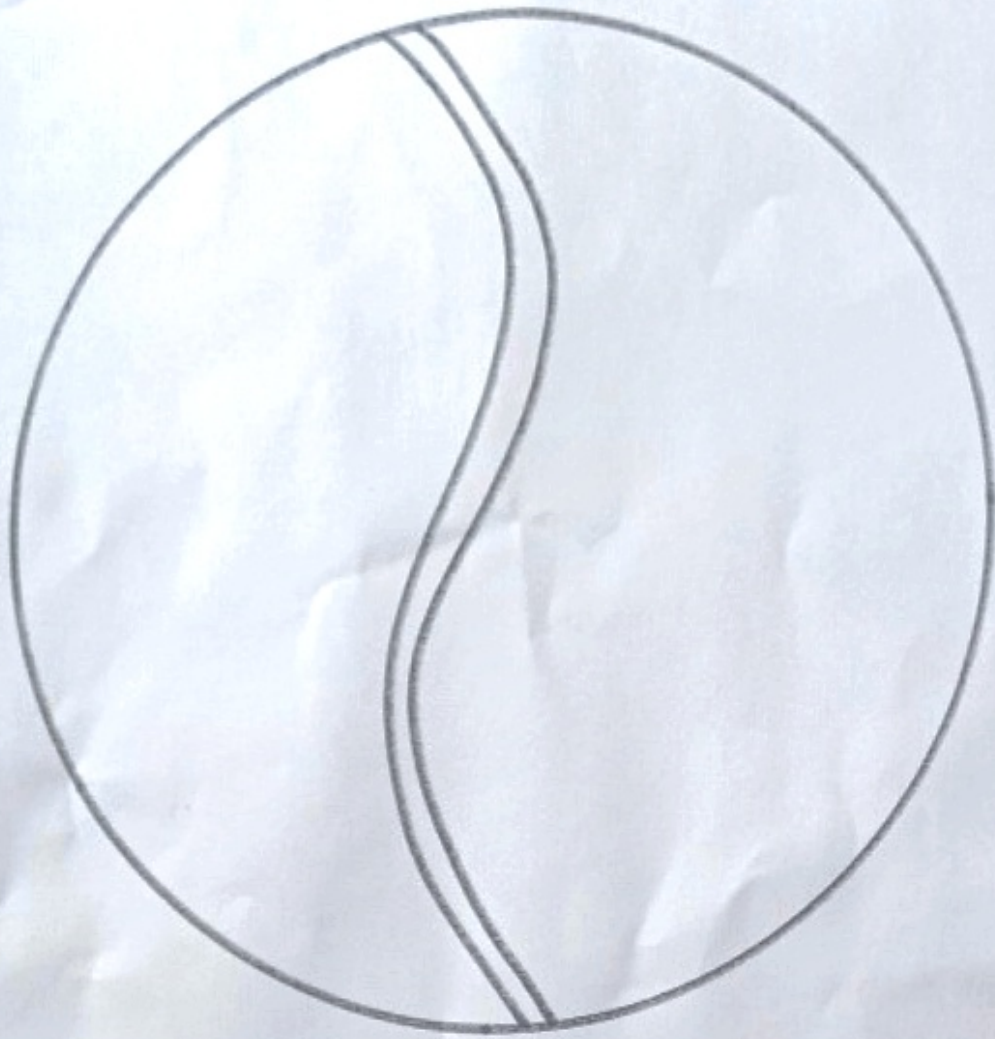

COLOUR 11

Trace the pattern and colour it yellow.

2) Colour this ball with your favourite colour.

Make vertical lines and horizontal lines with the help of ice-cream sticks or any other things and paste it on any waste paper.

Follow these good habits at your home and send me videos.

- ▲ Water the plants.
- ▲ Save water
- ▲ Help others.
- ▲ Say- sorry, please, thank you.
