- Characters name and draw any one character of the story .
- Cost of book .

2) After discussing with your mother write the recipes of your 2 favourite food items.

* Do all the work on coloured A4 sheet and compile all the A4 sheet in a transparent file .

MATHEMATICS

Question 1 : Make a colourful scrapbook on 2D and 3D shapes using colourful papers and write the properties of each shape.

Question 2 : Create different types of lines on a chart paper with the help of any one material such as thread, toothpicks, or ice cream sticks.

Question 3 : Math Art – Rangometry (Creative Drawing)

Activity: Make a Rangoli using Geometrical Shapes

Instructions: Create a rangoli or any beautiful design using only geometrical shapes such as circle, triangle, square, rectangle, semicircle, etc.

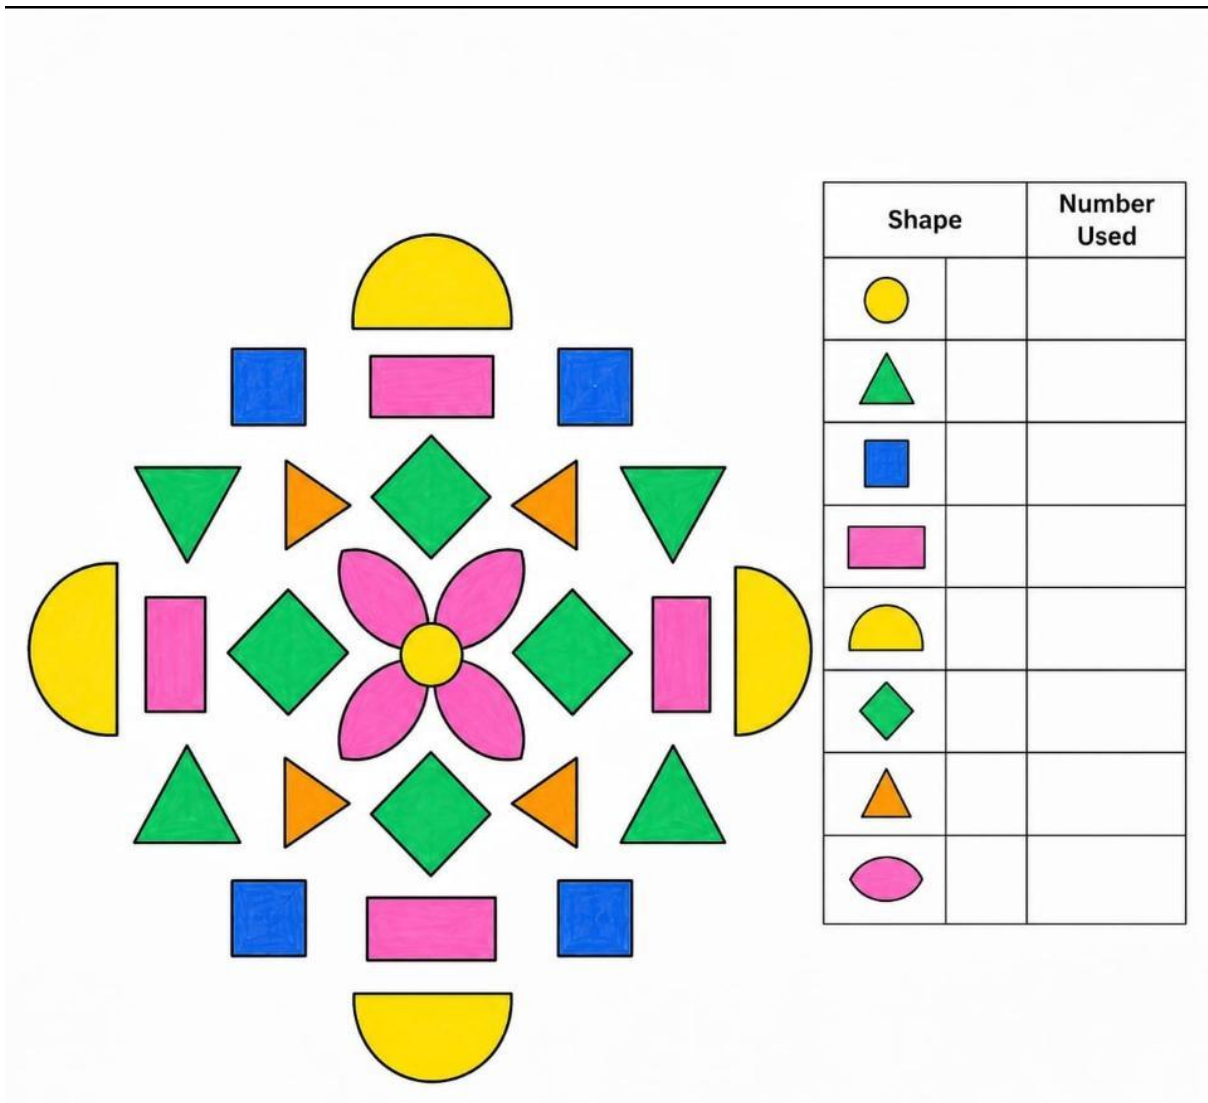

Make sure your design is neat and symmetrical.

Colour it beautifully using different colours.

Give your rangoli/design a creative name.

Write the name of your design below the drawing.

Example: (Geometrical Rangoli Design)

This is just an example; do not create this one.

EVS

1. Animal Classification Chart

Create a neat presentation chart by dividing it into separate sections (boxes) for different categories of animals. For each category, you can either draw or paste pictures of the animals.

Include the following categories:

- Wild Animals
- Domestic Animals
- Aquatic Animals
- Birds

2. Solar System Craft

Create a creative model of our solar system using craft materials.

- Make planets by cutting different coloured craft papers.
- Paste the planets in their correct order around the Sun.
- Clearly label the name of each planet.

3. The Seasons Wheel

Create an interactive "Seasons Wheel" to showcase the different times of the year.

- Cut a large circle out of cardboard or chart paper and divide it into 4 equal sections.
- Label each section with one of the four seasons: Summer, Winter, Rainy, and Spring.
- In each season's section, draw and colour the following:
 - Clothes: What do we wear during this season?
 - Food: What do we like to eat or drink?
 - Weather: What does the sky/environment look like?
 - Festivals: Which major festivals do we celebrate during this time?

Note to Parents & Students: Please ensure all assignments are done neatly and creatively.

Have a wonderful, fun-filled, and safe summer vacation!
